

Feeling of Flight

Prompt: Imagine that you are riding in a hot-air balloon. What would your journey be like from liftoff to landing?

Plan

What does it feel like to...

...lift off the ground?

...climb into the air?

...soar high into the clouds?

...land gently back on the ground?

Write: Write a paragraph that describes how you feel during your flight. Describe each step of the journey, from the moment you launch into the air to the moment you land back on the ground.
