

Table of Contents

Number Sense

Identifying whole numbers to millions.....	4
Place value to millions.....	5
Rounding to millions.....	6
Comparing numbers to millions.....	7

Basic Operations

Addition and Subtraction With Regrouping

Adding with 2 digits.....	8
Adding with 3 and 4 digits.....	9
Subtracting from 2 digits.....	10
Subtracting from 3 and 4 digits.....	11
Adding and subtracting.....	12
Subtracting across zero.....	13
Story problems.....	14
Estimating sums and differences.....	15

Multiplication Basics

Basic facts: 0–5.....	16
Basic facts: 6–12.....	17
Estimating products.....	18
Estimating products.....	19
Story problems: estimating products.....	20

Two-Digit by Two-Digit Multiplication

Without regrouping.....	21
Without regrouping.....	22
Without regrouping.....	23
Story problems without regrouping.....	24
With one regrouping.....	25
With one regrouping.....	26
With one regrouping.....	27
Story problems with one regrouping.....	28
With one or more regroupings.....	29
With one or more regroupings.....	30
With one or more regroupings.....	31
Story problems with one or more regroupings.....	32

Division Basics

Basic facts: 0–5.....	33
Basic facts: 6–12.....	34
Patterns.....	35
Estimating quotients.....	36
Estimating quotients.....	37
2 digits by 1 digit without remainders.....	38

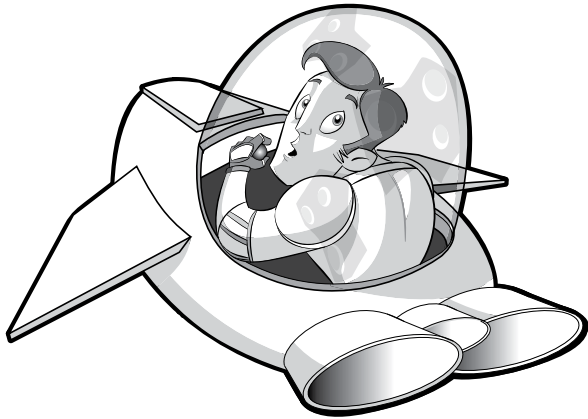

Division With Remainders

2 digits by 1 digit (2-digit quotients).....	39
2 digits by 1 digit (1-digit quotients).....	40
Story problems.....	41
Story problems.....	42

Division With and Without Remainders

3 digits by 1 digit (3-digit quotients).....	43
3 digits by 1 digit (2-digit quotients).....	44
3 digits by 1 digit (2-digit quotients).....	45
3 digits by 1 digit (zeros in the quotients).....	46
3 digits by 1 digit (zeros in the quotients).....	47
Story problems.....	48

Fractions

Fraction Basics

Identifying	49
Equivalent.....	50
Rounding	51
Ordering.....	52
Ordering.....	53
Least common multiples.....	54
Greatest common factors	55
Simplest form.....	56
Improper fractions and mixed numbers	57

Fractions With Like Denominators

Adding	58
Subtracting	59
Adding and subtracting.....	60
Adding and subtracting.....	61
Story problems: adding.....	62
Story problems: subtracting.....	63

Mixed Numbers With Like Denominators

Adding	64
Subtracting	65
Adding and subtracting.....	66
Adding and subtracting.....	67
Story problems: adding.....	68
Story problems: subtracting.....	69

Decimals

Decimal Basics

Identifying	70
Relating to fractions.....	71
Comparing and ordering.....	72
Rounding	73

Adding and Subtracting Decimals

Adding tenths.....	74
Subtracting tenths.....	75
Adding and subtracting tenths.....	76
Adding hundredths	77
Adding money.....	78
Subtracting hundredths	79
Subtracting money.....	80
Adding tenths and hundredths.....	81
Subtracting tenths and hundredths.....	82
Story problems: adding tenths and hundredths... 83	
Story problems: subtracting tenths and	84
hundredths	
Estimating sums	85
Estimating differences	86
